XP Core Values:

- Communication - We have planned 2 weeks sprints and agreed as a team to have standup meetings twice weekly. In addition to this we are communicating through emails, zoom calls, WhatsApp messenger.
- Simplicity - Keeping the design simple so that it is easier to understand for implementation.
- Feedback - Every meeting we are discussing individual work and team provides feedback for it.
- Courage - We do not hesitate in sharing our views on any design or implementations. As a team this helps us improve and learn new things.
- Respect - As a team we respect each other's time and space. We have mutual understanding for adjusting around everyone's schedule.
